

Aging Services Roundtable

Wednesday, August 20, 2008

11:00am – 1:00pm

Margaret Todd Senior Center, Novato

Financial Elder Abuse

Guest Speaker: Jenefer Duane, CEO & Executive Director of Elder Financial Protection Network

Jenefer Duane founded the Elder Financial Protection Network in 2000, and produced EFPN's 'Be Wise' video training program for financial institutions which has received three international awards. She has served on the Advisory Council for the Attorney General's Statewide Public Awareness Campaign on elder abuse and was appointed to the UC Davis Medical Training Center Advisory Committee on Elder and Dependent Adult Abuse.

Jenefer will discuss the growing crime of elder financial abuse including the latest statistics, common frauds and scams, warning signs, effective interventions, and current trends in community education and public awareness.

Following Jenefer's presentation, we'll gather for a *Best of the Best* program brainstorming session. This is a great opportunity to meet other senior service providers, share ideas, and discuss important topics and trends in the aging field. Lunch will be provided.

To register, please return the registration form, and an \$8 check (payable to CPRS District I) to the address listed below.
