

Connecting with Members

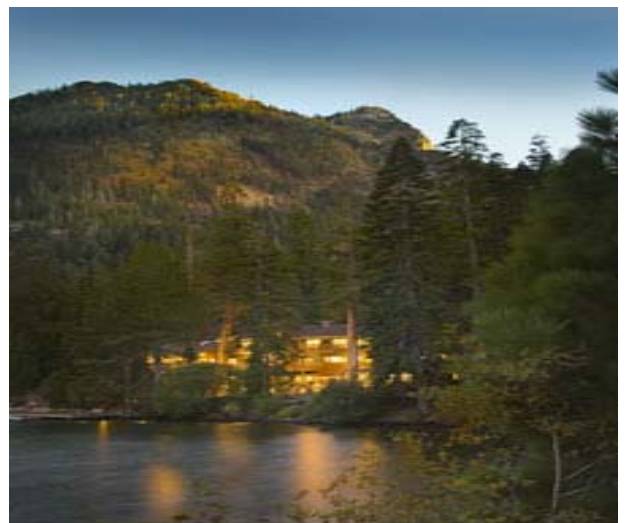

The Park Operation Section is pleased to announce an excellent education and training opportunity for park maintenance and development professionals. The Section, in partnership with the Recreation Supervisor Section, will be sponsoring six educational sessions at *SUPER-CAL* held **September 28 through September 30th** at the majestic conference center on Fallen Leaf Lake in South Lake Tahoe.

Join Professionals in parks and facility maintenance and design, recreation and community services in learning about emerging trends in park planning, design and maintenance, as well as recreation programming that impacts parks and facilities

Sessions confirmed are:

- **Interactive session on identifying design flaws in parks**
- **Establishing service levels for park operations and maintenance**
- **Skate Proofing your facility design**
- **Strategies to Enhance Park Safety and Security**
- **Establishing Maintenance Standards**
- **Supervision & Leadership**
- **Delivering services during tough budget times**
- **Partnering to Avoid Turf Wars with users and other Departments**
